# Acquiring educators and their training

- ❖ In January 2020 , about 30 students from our U3A in UWr signed up to work as educators. After the download was introduced/ 13 March 2020/, due to the pandemic, only 10 person were willing to work as an educator
- ❖ We started stationary training for educators in January 2020 / once a week/
- ❖ We have developed the training topics.
- ❖ Trainings for educators were conducted, moderated by Mgr in Zbigiew Baszczyk an IT specialist with over 30 years of experience in IT companies in Canada and the US Silicon Valley.
- ❖ He was supported by 2 IT specialists  
mgr inz Bozena Bugajska and mgr Teresa Kaufman  
also with many years of experience.

# Trainings of educators and testing platforms

- Since the announcement of the pandemic and lockdown, on March 13, 2021, we have switched to multiplier/ educators/ training online, testing several platforms beneficial for training seniors /Skype, Hangouty, Zoom, BigBlueButton- Korbank/
- We chose the Korbank platform, it does not require installation by listeners, with one click of the link we enter the room, giving only your name. Korbank has good quality of voice, presentation of materials, music, work on an open desktop, YouTube, etc.

# Educators training

- All topic of training seniors were first presented by the educators themselves at educators meetings, discussed, refined and then our multipliers presented these topic to seniors at training for them.
- We started seniors training in August 2020, with different frequency: first 1x a week, from November 2020 till May 2021, 3 time a 2021 ,

# Educators trainings

***Training instructors*** /educators, multiplier /
